Corrigendum: Teratogenic effects of *Carissa spinarum* and *Azadirachta indica* aqueous extracts in mice

In the published article titled “Teratogenic Effects of *Carissa spinarum* and *Azadirachta indica* Aqueous Extracts in Mice”, published in The Journal of Phytopharmacology, Volume 12, Issue 1, pages 20–26 (doi: 10.31254/phyto.2023.12103) ^[1], the authors inadvertently omitted the animal ethics approval reference number. The correct statement is as follows:

Ethical consideration: Ethical approval was obtained from the Kenyatta University on the use of experimental animals with reference number (156/27219/2018 and NACOSTI/P/22/17144).

The authors apologize for this oversight. This correction does not affect the results, discussion, or conclusions of the article.
